## Monthly Current Affairs | 6 October 2024

- The SCO Summit 2024, held in Bishkek, Kyrgyzstan, was the 15th meeting of the Shanghai Cooperation Organisation (SCO) Heads of State or Government. It was attended by leaders from 12 member states and 6 observer states. The summit focused on enhancing regional security, economic cooperation, and cultural exchanges. Key outcomes include the adoption of the Bishkek Declaration, which reaffirms the SCO's commitment to the UN Charter and the Shanghai Spirit. The summit also resulted in the signing of several agreements, including a joint declaration on counter-terrorism and a declaration on the protection of cyberspace.
- The Ministry of Education has announced the results of the All India School Certificate Examinations (AISCE) for the year 2024. The results were declared on October 5, 2024. The examination was held from March to May 2024. The results show that the pass percentage for the examination was 85.12%. The Ministry of Education has also announced the results of the All India School Certificate Examinations (AISCE) for the year 2024. The results were declared on October 5, 2024. The examination was held from March to May 2024. The results show that the pass percentage for the examination was 85.12%.
- The Ministry of Health and Family Welfare has announced the results of the National Health Survey (NHS) for the year 2024. The results were declared on October 5, 2024. The survey was conducted from March to May 2024. The results show that the overall health status of the population is good, with a significant improvement in the health status of the rural population. The Ministry of Health and Family Welfare has also announced the results of the National Health Survey (NHS) for the year 2024. The results were declared on October 5, 2024. The survey was conducted from March to May 2024. The results show that the overall health status of the population is good, with a significant improvement in the health status of the rural population.
